

Water, Molasses & Chemical Tanks

One-piece, straight walled, stress-free tanks

- * Straight wall - superior burst strength
- * One piece design
- * Roof never cut off - smooth clean lines
- * No centre pole
- * Moulded in stainless steel outlets
- * Moulded in lifting lugs
- * Highest UV resistant tank grade polyethylene
- * Short delivery times

Genuine Service

- * Most tank failures can be attributed to incorrect installation
- * Moulded in fittings (not drilled) and tank connection kits (as standard) are examples of our commitment to quality tanks and genuine service
